

# Recycle your cell phone. It's an easy call.

**There are thousands of places to recycle your phone.  
Here are just a few:**

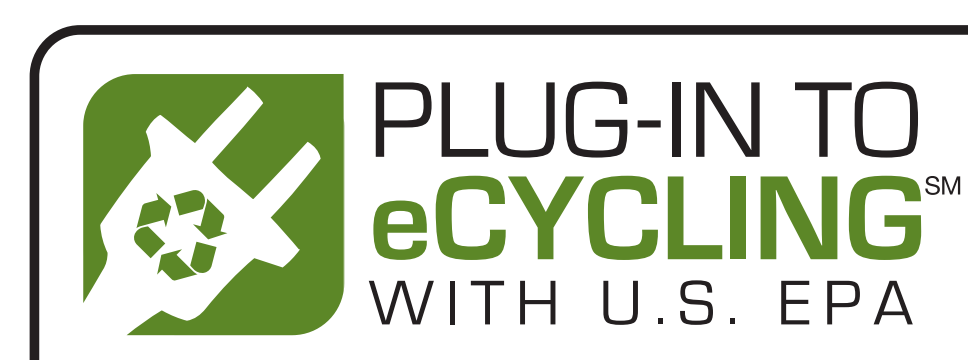

**NOKIA**

**Office  
DEPOT**

**T-Mobile**

To learn more, go to  
**[www.epa.gov/cellphones](http://www.epa.gov/cellphones)**

The Plug-In to eCycling program is open to all qualified electronics manufacturers and retailers. For additional information go to [www.epa.gov/plugin](http://www.epa.gov/plugin).  
Identifying locations for cell phone recycling does not constitute EPA endorsement of the products or services of our program partners.
